

Rector's Directive No. 13/2016

on reporting the outcomes of original and creative work of academic staff at UJAK

In accordance with the provisions of Act no. 111/1998 Coll. on Higher Education Institutions Secs. 70 and others and the Government Directive no. 274/2016 Coll. on Standards for Accreditation in Higher Education, an integral part of the agreed type of work of academic staff is their original work. This responsibility is further governed by Rector's Directive no. P4.1.

For the necessary purpose of inspection of compliance with this obligation associated with the correct categorisation into the wage classes, accessibility of up-to-date information necessary for the accreditation process and for the purposes of internal evaluation of quality of teaching, creative and their associated activities, I am mandating the following tasks and duties:

- 1) All academic members of staff are required to continuously record published outputs of their creative work in the database REPOZITÁŘ (www.repozitar.cz), without unnecessary delay after its publication.
- 2) All academic members of staff will fill into REPOZITÁŘ their published outputs for the years 2012–2016 inclusive by 6th January 2017.
